Orthodontic Discounts

Braces can be expensive, but price shouldn't be a deterrent to getting the smile you've always wanted. Start your Spring off right and take advantage of Roseman Dental's discounts. This month Roseman Dental has released four (4) new orthodontic discounts.

DISCOUNT #1

Multiple Patient from a Household

Receive 10% discount on the second or more persons in a household who have each signed an orthodontic treatment contract (first person in household full fee or potential other discount that could apply). This discount is ongoing and there is no end date for this discount.

DISCOUNT #3

Existing Patient Referral Incentive

If an orthodontic patient is referred to Roseman Dental by an existing orthodontic patient of Roseman Dental, the new orthodontic patient will receive a 10% discount on a signed treatment contract and the referring orthodontic patient will receive a \$100 credit towards their orthodontic treatment contract charges. If their treatment is paid in full, they will receive a \$100 gift card. The existing orthodontic patient will receive the credit or gift card once the orthodontic treatment contract is signed and started by the orthodontic patient they referred.

DISCOUNT #2

Referral Incentive

If an orthodontic patient is referred to Roseman Dental by a staff member, faculty or resident, the orthodontic patient will receive a 10% discount on a signed orthodontic treatment contract.

DISCOUNT #4

Spring New Patient

Starting in March a 5% discount on orthodontic treatment contracts will be applied to contracts that begin between 3/1/2021 and 5/1/2021.

EXISTING DISCOUNT

Pay in Full

If orthodontic patient pays entire treatment contract in full a 5% discount will be applied.
